Sir:

This paper is filed in response to the Office Action dated April 13, 2007, in connection with the above-identified patent application.

In response to the Office Action, Applicants hereby withdrawal the previous election and provisionally elect Group VI (claim 1 (in part), 2, 4, and 5-6 (in part), drawn to a method for the treatment of gastrointestinal tumors by administering a compound where X = O and R is chosen from subgroup VIA, and formula Ia of subgroup VIA in response to the Restriction Requirement, with traverse. Applicants respectfully submit that the provisional election of Group VI is consistent with the previous elections in response to the secondary restriction requirement and the election of species requirement, as discussed below. The Applicants reserve the right to file one or more divisional applications directed to the non-elected subject matter.
